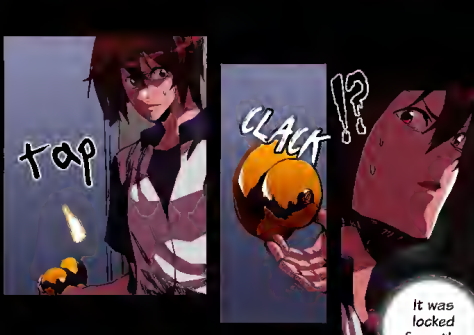
A AND O ADOK

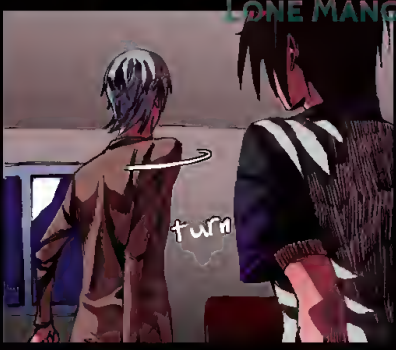
Chapter 23
[Tower of the Goddess Part 10]



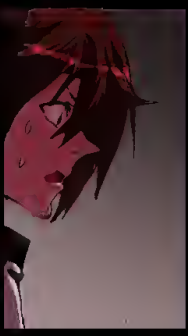
I need to do it!!
Min Jin-ho doesn't have anything right now...

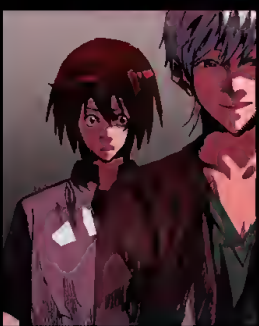
The moment he turns around...
I'll stab him in the neck or in the head!!

LONE MANGA!



turn



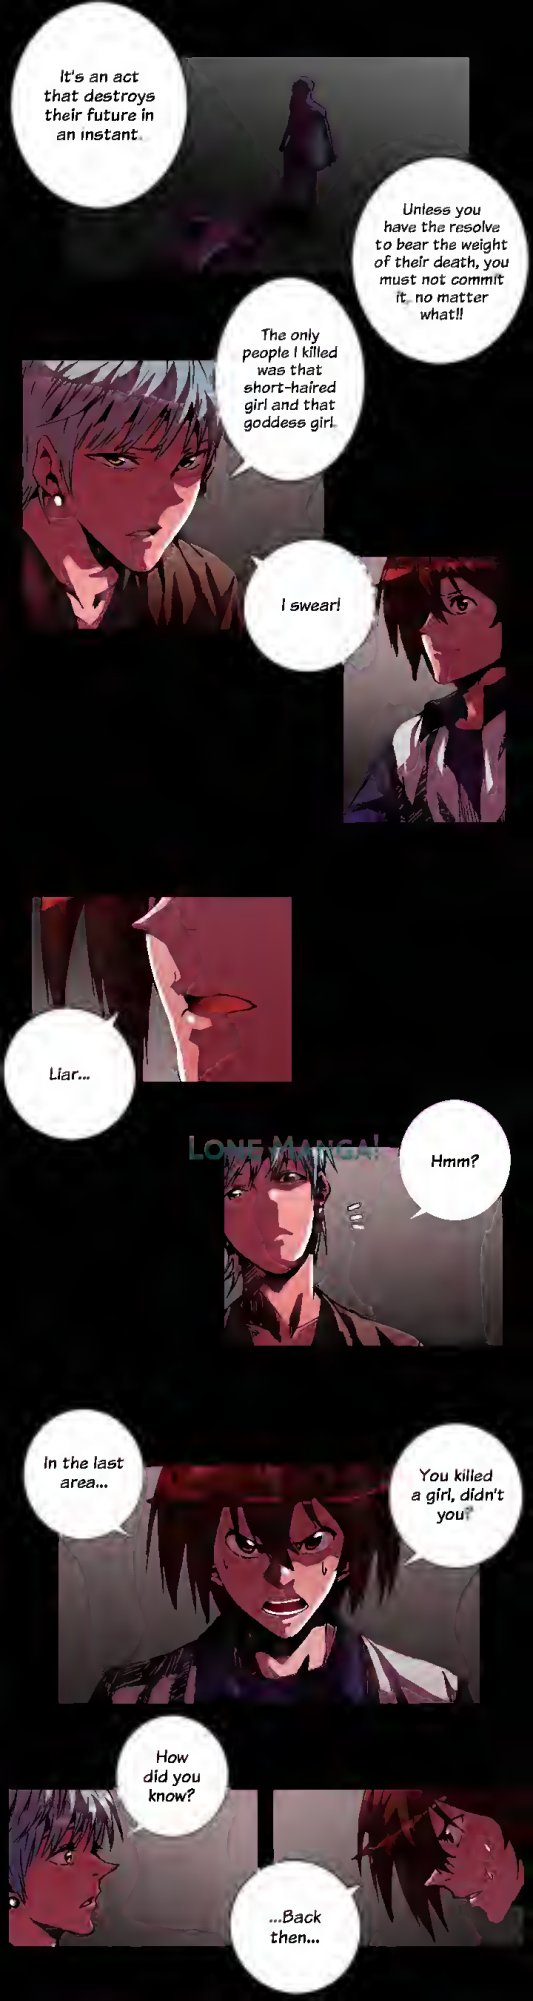


I-It's now or never!
I need to do it!!
SWOOP
Right now!!
SIT
LONE MANGA!
What're you doing?
Come and have a seat

HAA
HAA
I'll get another chance later!!
I need to do my best to not act suspiciously, and to make him drop his guard!
SWOOP
I had a couple of questions
I wanted to ask you
...
What kind of questions?

Ah- It's nothing much.
I just can't understand this situation right now.
I don't know why those kids are so angry
at me for killing this goddess girl.
Do you know?
I explained the laws and rules
of this place to Min Jin-ho thoroughly.
Hmm...
I see...

So this area was safe because of the Goddess.
I see... They have a reason to be angry at me for killing the Goddess
It was really rude of me.
I'm really reflecting on my actions.
What? Could you be thinking that
I'm some sort of a murdering demon that just kills random people?
I only kill people as a last resort.



It's an act that destroys their future in an instant.
Unless you have the resolve to bear the weight of their death, you must not commit it, no matter what!!
The only people I killed was that short-haired girl and that goddess girl.
I swear!
Liar...
Hmm?
In the last area...
You killed a girl, didn't you?
How did you know?
...Back then...

when you threw that axe at me...
I saw blood that looked like it'd been from a recent kill.
Ahah~
Yeah, you're right.
It was a lie.
You're really unnecessarily good
at observing, aren't you?

!
Oh no!!
Is he...
suspicious of me?!
If it's observing things
I won't lose either, you know!!
CHUK
!!
SHAK

2 hours since the original point...
It looks like you'll need to cut your fingers in about 3 hours, huh?
There's a method where you don't need to cut your fingers...
Shall I tell you?

To be continued...
